Names in red on duty list are rostered to produce the race results,

An internet based programme, DUTY MANAGER, will send out reminders to members with email addresses. Please advise Colin Walters if you change your email address.

There is a facility to swap duties on the internet using DUTY MANAGER. Please only swap like for like duties i.e. rib drivers can only swap with rib drivers.

It is the responsibility of club members to arrange their own duty swaps. The club computer is available to arrange swaps for members who don't have internet access.

Colin Walters is available to advise members on Duty Manager.

Teams for the Albacore and 505 Nationals will be contacted by the relevant Race Officer.
