NOTES ON DUTIES

GENERAL

The Club website contains guidance for all duties (under the Racing tab) including comprehensive notes for OODs on course setting etc. People allocated duties must read the guide on the LRSC website or the printed copy in the clubhouse.

PLEASE CHECK THE CLUB WEBSITE FOR DUTY DATES and remember that **IT IS YOUR RESPONSIBILITY TO ARRANGE A SWAP**, if for any reason you are unable to fulfil a particular duty. Swaps can be arranged online through DutyMan (there is a link on the Club website and also on the duty notification emails) or directly using the telephone contact information shown in DutyMan once you have logged in. Those members without internet access will be provided with duty notifications through the post.

Duties are an important and enjoyable part of being a Club member and they help the Club run efficiently.

A record will be kept of members not carrying out their duties or making alternative arrangements. This will be consulted when allocating Club facilities for the following season.

OFFICER OF THE DAY - OOD

Collect keys (see key holders in programme), arrive at least 90 minutes before the start of the first race and unlock the premises. The OOD has overall charge of the sailing activities. In consultation with the Sailing Secretary (Racing), Flag Captain, Sailing Committee members and/or experienced sailors, the OOD decides whether or not to race, has responsibility for setting and overseeing the laying of an appropriate course and directing the patrol boat cover.

ASSISTANT OFFICER OF THE DAY - AOD

Arrive at least 90 minutes before the first race and report to OOD who will allocate duties according to experience and capability. This will normally involve assisting with running the racing afloat or ashore. When 2 RIBs are in service, the OOD may require AODs to act as additional RIB crews and appropriate kit should be brought in case.

RIB DRIVER - RD

Arrive at least 90 minutes before the first race and report to OOD. Brief crew, check whiteboard in boat store for info on the RIBs, prepare boats and be ready to go to sea in advance of the race to set marks, report conditions, etc. All personnel aboard RIBs must wear personal buoyancy. Record faults on whiteboard when packing up. Please let Chris Joyner know of any faults with Ribs or radios. See guide on LRSC Ltd Web site.

RIB CREW - RC

Arrive at least 90 minutes before the first race and report to OOD. All personnel aboard RIBs must wear personal buoyancy. The duty list will normally contain one person selected as being capable of crewing a RIB in all conditions.

PJ DRIVER - PJD AND PJ CREW - PJC

Arrive at least 90 minutes before the first race and report to OOD. PJ Drivers, liaising with the OOD, should check tides in advance and arrange that PJ is off the mooring for racing. They should assist the OOD during racing and put PJ back on mooring at the end. PJ Crew assists OOD and AOD as required.

BEACH

Arrive at least 60 minutes before the first race and report to OOD. This is a shore based duty covering general Club security, observing sailing activities in or close to the harbour, introducing visitors to club officials, maintaining radio contact and responding to OOD's instructions.

All on duty should report any faults with PJ, RIBs or radios to Chris Joyner.

RESULTS

Collect racing results and enter boats, crews and times into the racing computer.

SAFETY

SUMMARY OF CLUB REQUIREMENTS

NOTE - The Club undertakes to provide patrol boat cover on days when racing takes place, but this will be limited to the duration of racing activities for those participating. Members sailing at other times or not participating in racing should assume that Club patrol boat cover will not be available.

All under 18s must wear personal buoyancy when afloat and engaged in LRSC Ltd activities.

CALENDAR NOTES

CHANGES

Changes to the programme will be advertised on the website and in the clubhouse.

DUTIES

Average points will be awarded to competitors who cannot sail because they are carrying out a Club duty, but only if they indicate this on the race signing-on sheet on the day.

DINGHY RACES

As per programme.

CRUISER RACES

Races will be held whenever possible. In order to maximise racing opportunities some races have been scheduled at times when tidal conditions are marginal. To fit in with the tides some races have been scheduled at abnormal times. Some races with abnormal start times may begin without a Race Officer. Check details with Rob Walker (Cruiser Sub-committee).

SOCIAL EVENTS

Additional events to the programme will be advertised on the website, in the Club and by email. Members may also register to receive these by text message.
