NOTES ON DUTIES

GENERAL

The Club website contains guidance for all duties (under the Racing tab) including comprehensive notes for ROs on course setting etc. People allocated duties must read the guide on the LRSC website or the printed copy in the clubhouse.

PLEASE CHECK THE CLUB WEBSITE FOR DUTY DATES and remember that **IT IS YOUR RESPONSIBILITY TO ARRANGE A SWAP**, if for any reason you are unable to fulfil a particular duty. Swaps can be arranged online through DutyMan (there is a link on the Club website and also on the duty notification emails) or directly using the telephone contact information shown in DutyMan once you have logged in. Those members without internet access will be provided with duty notifications through the post.

Duties are an important and enjoyable part of being a Club member and they help the Club run efficiently.

A record will be kept of members not carrying out their duties or making alternative arrangements. This will be consulted when allocating Club facilities for the following season.

RACE OFFICER - RO

Arrange for club to be unlocked. (See key holders in programme) Has overall charge of club racing requiring at least a basic understanding of race management and an ability to communicate effectively over the VHF radio. Responsibilities include deciding whether or not to race, setting and overseeing the laying of an appropriate course, directing the rescue cover and ensuring race results are input into the appropriate program.

ASSISTANT RACE OFFICER - ARO

Arrive at least 90 minutes before first race and report to RO who will allocate duties according to experience and capability. This will normally involve assisting with running the racing afloat or ashore. When 2 RIBs are in service, the RO may require AROs to act as additional RIB crews and appropriate kit should be brought in case.

RIB DRIVER - RD

Arrive at least 90 minutes before the first race and report to RO. Brief crew, Refer to appropriate Rib Log Sheet in office, record details before and after use, including engine run hours and any faults/damage, prepare boats and be ready to go to sea in advance of the race to set marks, report conditions, etc. All personnel aboard RIBs must wear personal buoyancy. Please inform either Chris Joyner or Dave Law if attention to Humber, Rescue 1 or VHF radios needed, inform Dave Law similarly for either Highfield rib. See guide on LRSC Ltd Web site.

RIB CREW - RC

Arrive at least 90 minutes before the first race and report to RO. All personnel aboard RIBs must wear personal buoyancy. The duty list will normally contain one person selected as being capable of crewing a RIB in all conditions.

Please note that if you have selected RIB Driver or RIB Crew duties it will be assumed that you consider yourself to be sufficiently physically fit and able to enter the water in order to assist members and that you will be appropriately dressed in a wet suit or dry suit.

PJ DRIVER - PJD AND PJ CREW - PJC

Arrive at least 90 minutes before the first race and report to RO. PJ Drivers, liaising with the RO, should check tides in advance and arrange that PJ is off the mooring for racing. They should assist the RO during racing and put PJ back on mooring at the end. PJ Crew assists RO and ARO as required.

Any faults with PJ or radio to be reported to Chris Joyner.

BEACH

Arrive at least 60 minutes before the first race and report to RO. This is a shore based duty covering general Club security, observing sailing activities in or close to the harbour, introducing visitors to club officials, maintaining radio contact and responding to RO's instructions.

SAFETY:

SUMMARY OF CLUB REQUIREMENTS

NB. The Club undertakes to provide patrol boat cover on days when racing takes place, but this will be limited to the duration of racing activities for those participating. Members sailing at other times or not participating in racing should assume that Club patrol boat cover will not be available.

All under 18s must wear personal buoyancy when afloat and engaged in LRSC Ltd activities.

CALENDAR NOTES

CHANGES

Changes to the programme will be advertised on the website and in the Club House.

DUTIES

Average points will be awarded to competitors who cannot sail because they are carrying out a Club duty, but only if they indicate this on the race signing-on sheet on the day.

DINGHY RACES

As per programme.

CRUISER RACES

Races will be held whenever possible. In order to maximise racing opportunities some races have been scheduled at times when tidal conditions are marginal. To fit in with the tides some races have been scheduled at abnormal times. Some races with abnormal start times may begin without a Race Officer. Check details with Rob Walker (Cruiser Subcommittee).

SOCIAL EVENTS

Additional events to the programme will be advertised on the website, in the Club and by email. Members may also register to receive these by text message.

(Continued from page 2)

SAFETY: SUMMARY OF CLUB REQUIREMENTS

Racing by under 18s is at RO discretion (see main notice board).

No boat to race if entire crew is under 18, unless prior entry is made on signing-on sheet and countersigned by an adult accepting responsibility.
